

Christmas 2010

Every good gift and every perfect gift is from above. James 1:17

Dear Prayer Partners:

The Christmas season is fast approaching with all its tinsel and commercialism, but I thank God for reminding me again of why Jesus came, and what He accomplished on the Cross. I am thankful for God's perfect gift to me.

GIFT OF MINISTRY

I am thankful for the ministry the Lord has allowed me to be part of here at North Eulalia Baptist Church. We have a wonderful group of believers. The Lord has brought a number of new people into the services and 4 have followed the Lord in baptism and joined North Eulalia Baptist for which I am thankful. The Lord has allowed me to become a volunteer Ombudsman to go into the nursing facilities in Coudersport. Pray that I might be a good testimony and witness.

GIFT OF FAMILY

Joel and Carole live in Anchorage and Joel still works as an Automation Specialist at North Coast Electric. Chelsey attends University of Alaska, Anchorage. She has a double major of History and Japanese and a 3.61 GPA even with working. Becky & I were able to spend two weeks in Anchorage this Spring. We visited friends and churches in south central Alaska. It was a blessed time of fellowship with family and see the progress of the different churches.

Michael is still Pastor of North Eulalia Baptist as he has been for at least 23 years. Michael and Ruth are a blessing to all of us at the church. Their daughter, Christina, was married in August to David Sheer, a Marine, and they live in Twentynine Palms, CA. Joanna and Torry live in MD and two little boys. Timothy and Marticia both live and work in the Coudersport, PA

Thomas and Becky live in Chesapeake, VA as all three daughters are. Miriam will soon have her Masters in History, Holly is a teacher and is married to Brandon Roth, Rachel works from home. She and Brian have 3 children. I now have 5 precious great grandchildren, four boys and one girl, which are a blessing.

GIFT OF HEALTH

My health has been relatively good except for arthritis and I had foot surgery in September and am still healing. I praise the Lord for His strength and watch care in these senior years. I appreciate your prayer as I travel on the winter roads here in northern Pennsylvania.

Thank you so much for the support I receive and your prayer on my behalf. I pray the Lord will bless each of you as we remember our Savior who died on the cross for us.

Looking for His Return,

Rhea Reeves
